**Part-Time Realtor Ready to Become Full-Time Homeowner**  
*Alexandria, VA Resident Wins \$250,000 with DC Daily 6™*

**Washington, D.C.** – Part-time realtor Mechal Chame helps others find a home. Now, he can purchase his own home as the winner of \$250,000 with [DC Daily 6](#), his favorite D.C. Lottery game. “This going to a make difference,” said [Chame](#), who resides in Alexandria, Virginia.

Chame checked his winning ticket at an agent location and was told that he needed to go to the [Claim Center](#) to collect his prize. He was aware that he had won more than \$599.50, but he didn’t realize that he had won \$250,000 until D.C. Lottery staff told him so. When Chame first told his wife, she did not believe him. Once it dawned on her that he was being serious, then he said her response changed to “very happy. I think she is more excited than I am.”

In addition to buying a new home, Chame said he has a college-bound daughter, and will save the remainder of his prize money for tuition. He bought his winning ticket at Capital Gift Shop, 333 E Street, S.W.
