D.C. Lottery Players Have a Chance to Win a 2010 Toyota Prius or \$100 Gas Card

Washington, D.C. – Play POWERBALL® and you could be the next D.C. Lottery Washington Auto Show Second Chance Drawing grand prize winner of a 2010 Toyota Prius. From January 27 – 31, 2010, the D.C. Lottery will be at the Washington Convention Center, the site of the Auto Show, providing D.C. Lottery players with an opportunity to win a 2010 Prius, or one of 100 gas cards worth \$100 each.

“We are excited to offer our players a chance to win a 2010 Toyota Prius,” said D.C. Lottery and Charitable Games Control Board Executive Director Buddy Roogow. “It’s a great time for someone to win a hybrid, and we are happy to once again partner with WANADA and the 2010 Auto Show.”

On Sunday, January 31, the last day of the Auto Show, the D.C. Lottery will celebrate its players by hosting a “Players Appreciation” event featuring four chances for participants to win up to \$5000 in the D.C. Lottery *Money Machine*. Players who purchase POWERBALL or Mega Millions tickets on site will have a chance to be entered into the *Money Machine* contest.

“This is our chance to give D.C. Lottery players an opportunity to experience winning on site at the Auto Show,” added Roogow. Throughout the day, there will be a chance for players to win D.C. Lottery gifts and cash prizes either in the *Money Machine*, with a [Twitter](#) contest, or by entering the POWERBALL Second Chance Drawing.

To enter the drawing, players must buy \$5 worth of POWERBALL on one ticket and can do so until January 31, 2010. Complete vouchers are accepted [online](#) or via mail. Mailed in entries must be postmarked by February 1, 2010, and only one entry per envelope will be accepted. The address is:

New this year to Washington, D.C. and the Auto Show is the launch of the Mega Millions® game. The first day of ticket sales in the District of Columbia is Sunday, January 31. “Mega Millions is new to the D.C. Lottery, and we are the only local jurisdiction with the Megaplier feature,” said Roogow. “With the Megaplier, players can multiply their winnings and win up to \$1 million. By selling Mega Millions and POWERBALL, the D.C. Lottery is offering its players four chances to win millions.”
