

DC **3** a new way to play DC **4**

DC PLUS OR MINUS

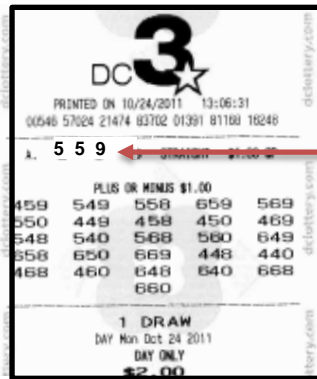

For \$1.00 more, if you miss your number up or down by one, you still win!

26 more chances to win DC3

80 more chances to win DC4

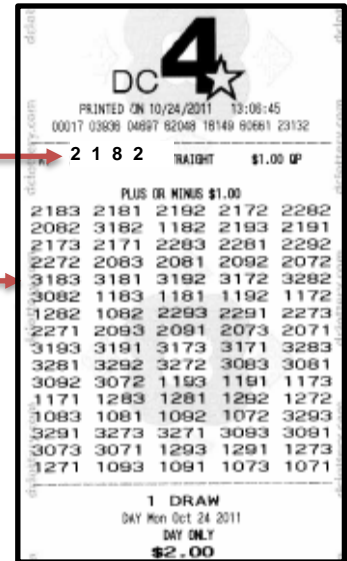

DC PLUS OR MINUS is an optional \$1.00 add-on to DC3 and DC4.

- With the DC PLUS OR MINUS bet you win if your numbers match in exact order, or if any or all of your numbers are 1 number higher or lower than those drawn by the lottery.
- Match one of the DC PLUS OR MINUS number combinations printed on your ticket and WIN \$20 on DC3 or \$65 on DC4!
- Available on DC3 and DC4 Straight bets only.
- Select your own numbers or choose Quick Pick.
